Convicted sex offenders could be moved into a halfway house in your neighborhood, without your knowledge. And this government program is going on across the country right now. At the same time, our right to keep and bear arms is under constant attack. The ultimate insult of gun control is that it leaves honest Americans at the mercy of those with no mercy.

The Second Amendment Foundation urges you to become a member and support our important and innovative work. We’ve been fighting for your gun rights since 1974, and each year our struggle gets more difficult. Join with hundreds of thousands of other Americans who support the Foundation with their tax-deductible contributions.

Working together, we can protect our fundamental rights—the rights that keep us strong, free and safe. For more facts about gun rights issues go to www.saf.org.
