I, Michael McCarthy, hereby declare and state the following:

1. I intend to use a credit card to purchase my first firearm. I am aware that firearms dealers, like retail stores, accept major credit cards. Private firearms sellers do not take credit cards and I do not feel comfortable bringing a large amount of cash to purchase a firearm from a random stranger I found on the internet.
2. I want ammunition and a holster for my first firearm. I am aware that I can only legally purchase ammunition from a firearms dealer. I also know that a firearms dealer is likely to have accessories for the firearm and will be able to offer different types of holsters for me to try.
3. I work and I have a family. I do not have time to bicker and bargain with an online firearms seller about the price of a firearm or times and places to meet up to buy a firearm and I definitely do not have time to drive halfway across the state to meet a private seller.
4. I have no idea whether an advertisement for a firearm I see online is a scam or not.
5. I declare under the penalty of perjury that the foregoing is true and correct.

Executed this 6th day of May, 2020.
