I**INTRODUCTION**

A split panel reversed the District Court deciding that the San Diego County Sheriff's implementation of the California statutory concealed carry licensing program violates the Second Amendment. The panel determined that the Sheriff's interpretation of the statutory "good cause" requirement in Penal Code sections 26150 and 26155 impermissibly burdens the right to bear arms after the enactment of California's recent legislation (primarily Penal Code sections 25850 and 26350) which regulates the carry of firearms in incorporated cities. Motions to Intervene are before the Court and the panel's decision is awaiting possible *en banc* review.

II**THE ATTORNEY GENERAL'S MOTION
TO INTERVENE SHOULD BE GRANTED**

The Attorney General should be granted permission to intervene. The Sheriff defers to the Attorney General to defend the constitutional validity of the statutes at issue. The Sheriff's sole interest is to ensure the statutes are implemented in a constitutionally lawful manner. As such, the Attorney General is in the best position to defend the statutory scheme as the Sheriff has had no involvement in its development and does not take a position on the recent changes.
